

1 Near the Desperate Caves Caldera for dungeon number 1 is a Ghost Tower. It is  
uspposed to be abandoned, but there are deep pits for mining gold and silver. They  
are reached by the basement of this tower. In the mines are the Pits of Despair.  
2  
3 Smelters turn the ore into gold and silver ingots.  
4  
5 The Wizards who run The Desperate Cave's Discontent Three villages have tried to  
stop this work, but they have so far been unable to do so.
