

Wink & Kiss

Description - The establishment, often called the *Wink and a Kiss*, is a popular Inn and Tavern. It is frequented by those whose interests that are not always, completely legal or moral. Sometimes it is organized crime as practiced by the Hand or simple drinking, gambling and prostitution. The place maintains a reputable appearance fitting a shop just outside the Baron's district, but looks can be deceiving.

The building itself is well built in the style popular within the Baron's quarter. It has two levels above street level, though the top level is in a bit of an attic. Private rooms are available on all levels and with varying degrees of privacy assured. Lower priced accommodations are available in the large, shared chambers of the upper floor.

Emma Clifton, an attractive female human runs the place with the help of her staff and the support of members of The Hand.
